

April 6-7, 2016

Join us for a free workshop to **MAKE BARING CROSS GREAT TOGETHER**

The Implementing Smart Growth 101 workshop provides best practices to local leaders and residents working to create housing and transportation choices near jobs, shops and schools. Our technical assistance will provide the resources to refine and implement local priorities with smart growth strategies that make sense for your community.

Wednesday, April 6, 6:00-8:00 pm
