**2017**

Volume 22 / Number 5 September/October

Office of Neighborhood Services / P.O. Box 5757 / No. Little Rock, AR 72119

Office: (501) 791-8500 / Email: NLRNeighborhoodServ@nlr.ar.gov

## *Thank You!*

North Little Rock voters came together on Tuesday and sent a clear message that we are headed in the right direction as a proud city, focused on safer homes and better streets. Our City Council and my staff have already begun the process of ensuring the additional revenue is spent exactly as the voters intended. Within a few years we will have a new police headquarters, renovated fire stations, and streets and drainage systems that we can be proud of for years to come.

We were successful because of the support and votes from people like you. We had the endorsements of our police and fire unions, the NLR School Board, the Chamber of Commerce and the Leadership Council of all our Neighborhood Associations. This support was crucial and I am honored we built such strong partnerships throughout the city.

The NLRProud.com brand is not going away. It will go through a transformation and be adopted by our City Communications staff as a non-campaign tool to keep the residents informed about our progress. The people deserve to know how their money is being spent. We look forward to our first update very soon.

Thank you again for your vote of confidence and the hard work that so many sacrificed to make our city a prouder place to live.

Mayor Joe A. Smith

## ATTENTION!

### Bulky and Green Waste Curbside Pickup Regulations for the City of North Little Rock

**NOTICE!** Due to Regulations by the Arkansas Department of Environmental Quality (ADEQ), the City of North Little Rock can no longer deliver co-mingled (mixed) yard waste/bulky item loads to the Composting Facility. Therefore, Green Waste and Bulky Waste must be separated at the curb into two (2) piles as illustrated on the other side of this card:

#### GREEN WASTE

**GREEN WASTE** – Includes bagged grass clippings, bagged leaves, bagged pine needles, shrubbery, hedges, plants (without pots), limbs, unpainted/unfinished wooden furniture and/or boards. Note: Tree limbs placed on the curb must not be greater than 6 inches in diameter by 12 feet in length, OR 12 inches wide by 6 feet long. (As required by Chapter 13 of the NLR City Code, Ordinance #8585)

**BULKY WASTE** – Which includes items that are too large and bulky/heavy for regular garbage collections. In particular, couches, mattresses, minor amounts of carpet, finished/painted furniture, minor amounts of remodeling materials, rubbish and appliances (must have compressors and/or Freon removed). Note: Rubbish, trash and appliances may not be placed at the curb for collection earlier than one day prior to the scheduled curbside pickup. Bulky waste pickup is the next business day after regular garbage pickup.

#### BULKY WASTE

**REMINDERS!!** As required by the NLR Municipal Code, Chapter 13, Solid Waste Ordinance #8585, Adopted 11-11-13.

- Tree Service Contractors are responsible for the removal and proper disposal of all debris generated by their contracted work activities.
- Disposal of new construction debris, demolition debris and tree clearing activities (such as logs, stumps and root balls) are strictly the responsibility of the property/lot owners.
- Green and/or Bulky Waste shall not be placed in the Public Streets or sidewalks in such a manner as to obstruct or interfere with vehicular or pedestrian traffic.
- Large cardboard boxes and Styrofoam should be placed out on the curb with regular household garbage collections. Otherwise, recycle all cardboard and paper via Waste Management, Inc.'s green and yellow recycling containers.
- Items that we will not collect: Dirt, Rock, Concrete Products, Liquid Paint (must be dried or mixed with absorbent), Bulk Chemicals, Bulk Oil, Ammunition, Burnt Waste, Large Amounts of Insulation and Roofing Materials, Lawnmowers with Engines, Creosote Cross Ties, and Human/Animal Waste.

## Medicine Give Back Program -

If you have old medicine or medicine that you no longer take, you can dispose of it at the main police and courts building at 200 Pershing Blvd. Use the main entrance off of Pershing. Turn left when you enter the building and on your left you will see an area where you can drop off your prescription medication. It is much safer to get rid of old medicine than to keep it in your house. It is also better for the environment if the medicine is disposed of at the police department instead of with your garbage or down your toilet.

## Community Gardens -

The City of North Little Rock is very proud of our 20 plus Community Gardens. These gardens are located all across the city and are managed by non-profit organizations, schools and churches. All of our community Gardens are open to the public and participation is strongly encouraged. We currently have applications to fund seven new gardens around the city. This is a great program and if this is something you are passionate about or interested in please do not hesitate to give Isaac Henry a call or email at (501) 975-8780 or [ihenry@nlr.ar.gov](mailto:ihenry@nlr.ar.gov).

**Trick or Trail** - October 28 from 4:00 to 6:00 p.m. on 4 blocks of the fitness trail in Levy. For more information contact Jenna Rhodes at (501) 364-3360 or via email: [jdrhodes@nlr.ar.gov](mailto:jdrhodes@nlr.ar.gov).
